

### Remarks

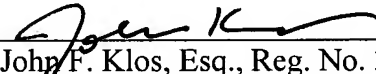

The Office Action of April 9, 2004 stated that the above-captioned application was subject to a restriction requirement under 35 U.S.C. 121. The Office Action required a selection between Group I consisting of claims 1-5 and 19-20 or Group II consisting of claims 6-18.

The Applicant elects, without traverse, to pursue examination of Group I and does formally withdraw from consideration the claims of Group II. We respectfully reserve the right to reinsert the withdrawn claims in a subsequent divisional application.

The Applicant has also added claims 21-26 for consideration. The claims are drawn to the elected group, and no new matter has been inserted.

Sincerely,  
Compumedics Limited, by its attorneys,
